TIMELY SUPPORT FOR CONTINUED INDEPENDENCE.

Presbyterian Village Austell

Experience a circle of support that makes a difference every day.

When someone you love struggles with basic activities of daily living — shopping, cooking, bathing, dressing, taking medications — you may try to help with these tasks yourself. But it may not always be possible to be there when they need you, or the help they require may be more than you're able to provide. What's more, caregiver may not be the best relationship for either of you when what you really want is to be a loving spouse, son, or daughter. You're not alone — and Personal Care at Presbyterian Village Austell can help.

The right amount of personalized assistance helps residents regain a sense of autonomy and purpose they may have lost while trying to manage living on their own. In addition to receiving help with day-to-day tasks, the nurturing atmosphere of Presbyterian Village Austell enhances wellness in mind, body, and spirit. Residents are empowered to re-engage in ways that weren't possible while living on their own. Suddenly, opportunities to socialize with friends are just steps away. There are new things to learn and new hobbies to explore. Eating delicious, nutritious meals requires no work at all. And there's a beautiful, 60-acre campus to explore right outside.

Smaller households for a more home-like setting.

Presbyterian Village Austell's newly renovated Personal Care neighborhood provides a warm and comfortable environment. Attentive, dedicated professional assistants are available 24 hours a day to assist with activities of daily living such as bathing, dressing and grooming, and medication monitoring. They will also respond to any emergency situations that may arise.

Each resident enjoys the privacy of a beautiful apartment with a kitchenette, living area, bedroom and full bath. Many also have a balcony. And since our Personal Care neighborhood is located in our Retirement Services Center, residents enjoy easy access to many of our community's convenient services and amenities including our chapel, hair salon, postal center, staffed reception desk, and transportation coordination services.
